WEDDED AT CHURCH OF THE ANGELS

The Church of the Angels, Garvanza, was the setting for a pretty marriage, when, on Tuesday evening, at 6:30 o'clock, Miss Mary Selen Bohannon became the bride of Mr. Arthur Wellesley Olcott. The bride was exquisitely attired in a gracefully draped gown of pale blue and silver satin, with tulle veil becomingly arranged in nurse's fashion and caught at each side with tiny sprays of orange blossoms, and she carried a sheaf of bride's roses. The bride was led to the chancel by Mr. Stuart M. Street, who also gave her in marriage. The bride, who is a sister of Mrs. Street, has a few friends in Tropic, who attended the ceremony.

LION KILLED AT SAN FERNANDO

A mountain lion was killed in Paolina Canyon, near San Fernando, by Constable H. E. Purrier of Burbank and Jack Lucas of 128 Brand Boulevard, Glendale.

The animal measured eight feet from tip to tip. It was one of the largest killed in Southern California in recent years.

The men were hunting deer. They killed none.

The Pythian Sisters will give a dance Thursday night, September 18 at the K. P. Hall. Music by Busch's Orchestra. Price 75 cents.

School begins next Monday.

The L. G. Scovern Co. had charge of four funerals the first of this week, two of which were local, burial being made in Forest Lawn.

CELEBRATE BIRTHDAYS

About thirty relatives assembled last Sunday to assist Andy Baker of South Brand Boulevard in celebrating his sixty-eighth birthday, and as it was also a birthday of a son-in-law at the same time, that was included in the celebration.

A dinner table that fairly groaned with its weight of good things was the main attraction for a while, and then, later, it was the participants' turn to groan.

In the afternoon, while all were gathered on the beautiful lawn, Grandma West took a "snap-shot" of the happy crowd.

Mr. Baker has been an invalid for the past twelve years and suffers a great deal, but he was the most jovial of the crowd on this occasion.

DR. MABRY HOME

Dr. William Mabry, who early volunteered his services during the war and who so faithfully attended to his duties during the influenza epidemic at Camp Lee that he was seriously ill himself, as a result, was honorably discharged last week, reaching home last Friday, and has enjoyed the family reunion which included relatives from other points who came to join in his welcome home. Dr. Mabry has always been one of our most popular and successful physicians, and the entire community gladly greet his return.

The regular Monday night Holiness meeting of the young people of the Nazarene Church was held this week at the home of Mrs. Fannie Marple on West Palmer. All young people are invited to attend these meetings.

CANADIAN SOLDIERS ARE TO RECEIVE WAR GRATUITIES

The following communication has been received from George F. Pyke, secretary of the British Columbia Returned Soldier Commission, at Victoria, B. C.:

Editor Glendale Press: A great many men who served in the Canadian Army are now resident in the United States, particularly on the Pacific coast.

Under the original order in council dealing with the payment of war service gratuities, men who did not see service in France and men who were discharged previous to the signing of the armistice on Nov. 11, 1918, were not entitled to participate in same.

Under a recent order in council this ruling has been changed and men who come under the above classification are now entitled to payment of gratuity.

The assistant district paymaster advises me that a great many men who are entitled to gratuity under this order have not yet filed applications for same.

If any man who comes under the above category will write me, enclosing a copy of his discharge certificate, I will be pleased to furnish him all particulars regarding this gratuity, also the necessary application forms.

Letters should be addressed to Geo. F. Pyke, B. C. Returned Soldier Commission, Parliament Bldgs., Victoria, B. C.

Rev. Alfred Cookman of the Glendale Methodist Church will speak in Tropic Methodist Church Sunday evening.

When you discover gratitude—be grateful.

TROPICO HERALD

"Entered as second-class matter January 25, 1918, at the post office at Los Angeles, Cal., under the Act of March 3, 1879." :: Devoted to the best interests and future welfare of Glendale, San Fernando Valley and Southern California. :: Telephone, Glendale 1500 :: Subscription, \$1.00 per year :: Advertising rates upon request.

There is quite a likelihood of Congressman Charles H. Randall receiving the appointment of Postmaster General to succeed Burleson. Mr. Randall is a thoroughly posted man on official postal matters, having served as a postal employe years ago, and to say that he understands the business in a national way is only due credit to the man's knowledge and wisdom. Hon. Charles H. Randall will make one of the best officials in the Post Office Department the Nation ever had.—Gazette, Owensmouth.

All of which the Herald emphatically endorses.

Petition Asking That Sidewalk Be Laid

A petition was presented from Mrs. M. E. Martin and six other property-holders on Harvard Street and Glendale Avenue, requesting that the city

construct a sidewalk on the north side of Harvard Street from Glendale Avenue east to an alley, and north on Glendale Avenue from Harvard Street to the Robinson property. On motion the petition was referred to the City Manager to investigate and report.

Regarding Licenses for Trucks

A communication was read from the Pacific Coast Furniture Warehouseman's Association of Pasadena in regard to licenses for furniture trucks. The same was ordered to be filed.

Mrs. Bullis Resigns as Library Trustee

A letter was presented and read from Luella M. Bullis, tendering her resignation as a member of the Library Board, to take effect at once. On motion of Trustee Woodberry, it was ordered that the resignation of Mrs. Bullis be accepted and the matter of filling the vacancy be left with the chairman of the board.

In Re American Agar Co.

Mr. A. M. Salyer was present and presented a written communication calling attention to the fact that the American Agar Co., located on San Fernando Road, Glendale, has installed a large quantity of machinery and made other preparations for manufacturing its products at the factory located as above, and that the Southern California Gas Co. has, by letter which accompanied the communication from Mr. Prothro, the gas company's representative, declared its inability to furnish any more gas for industrial purposes. Mr. Salyer requested that the Board take such steps as in its judgment, may be advisable to assist the Agar Co. in securing a supply of gas necessary to be used in its establishment. On motion of Trustee Henry the matter was referred to the City Attorney to get in communication with the gas company and report.

Communication from S. C. Edison Co. as to Joint Use of Poles

A communication was read from the Southern California Edison Company's legal department in reference to the joint use of poles and the question of liability in reference to the same. Referred to the City Attorney to reply.

Communication from H. A. Goldsberry

A communication was read from H. A. Goldsberry complaining of the condition of the vacant property located between Colorado Street and Orange Grove Avenue east of Glendale Avenue. John W. Henderson Asks Permission to Do Street Work by Private Contract

Transfer of Funds

On motion of Trustee Shaw, the following transfers of funds were or-

dered to be made: \$50 from the Public Service Fund to the General Budget Fund to correct an error; \$413.06 from Adams Street Opening and Widening Fund to General Service Fund; \$935.28 from Eighth Street Opening and Widening Fund to General Service Fund.

He stated that bids for the construc-

tion of bridges over Verdugo Wash at Brand Boulevard would be received by the Board of Supervisors of Los Angeles County on Oct. 26. Ordinance Changing Street Names

Trustee Woodberry presented an ordinance changing the names of certain streets in the city of Glendale, which was read and ordered to be laid over until the next regular meeting.

Change in Budget

The City Manager stated that on account of the county valuation of the property in the city being about three thousand dollars less than was an-

ticipated when the general budget had been prepared by him, it would be necessary to make certain alterations in the budget, and he recommended that the necessary sum be taken from the estimate allowed for the Street Department for the coming year and that the budget be reviewed accordingly. On motion of Trustee Jackson the recommendation was adopted and change in the budget was ordered to be made.

The City Attorney presented a notice of demand for deed to Lot A, Tract 927, and the same was signed by the chairman and clerk of the Board.

Adjourned to 8 p. m., Sept. 12.

Artistic Shop Signs.

Between Cuzco and Machu Picchu, in Peru, are quaint signs indicating what is sold in the Indian huts. A small bunch of wheat on the end of a pole indicates chicha—a native corn beer—for sale within. A green wreath means bread for sale, while a piece of white cloth indicates aguardiente, a powerful white rum.

PYO-REM - "THE DENTIST'S FAVORITE PRESCRIPTION"

A Perfect, Pleasant, Purifying Mouth-Wash.

Makes the gums firm and healthy and the breath sweet.

Pyo-Rem is indicated for Pyorrhea, tender, bleeding, soft, spongy or receding gums, soreness caused by wearing plates or artificial teeth, sore throat, cold or canker sores, and offensive breath.

Pyo-Rem is a real medicine and must be diluted as directed. It is so concentrated in drug strength that one bottle is equivalent to three or four of the ordinary weak, watery preparations commonly used.

For Pyorrhea (Rigg's Disease) consult your dentist FIRST, as all calculus must be removed from the teeth. He will inject Pyo-Rem (full strength) into pockets and give directions for daily use, which keeps the mouth in perfect health.

Pyo-Rem Paste, which contains potassium chlorate and the essential ingredients of Pyo-Rem liquid, is excellent for cleaning the teeth. The liquid should be used, one or two teaspoonfuls in a wine glass of water, as a mouth wash, 3 or 4 times a day. This will keep the teeth clean, prevent tartar formation, make the gums firm and healthy and keep the breath sweet.

Pyo-Rem is soothing and healing for wisdom teeth slow to come through, after extraction of teeth, for salivation, cuts, burns and scalds.

AT THE PALACE GRAND

The Palace Grand will present a great show tonight, Saturday, Sept. 13. Charles Ray will appear in his very latest picture and the best he has ever made, "Bill Henry." It's a wonder. Positively the most entertaining Charles Ray picture this year. There will also be shown a two-reel Mack Senett stunt comedy, "Treat 'Em Rough," and Bray Cartoons and Pictographs.

Sunday, Sept. 14, Glendale theatre-goers will have an opportunity to see the screen's most entertaining comedienne, Constance Talmadge, in her latest picture of bright and happy incident, entitled "Experimental Marriage." You shouldn't miss this picture any more than you should your breakfast in the morning. It's essen-

tial to your happiness. Also a two-reel comedy, entitled "Bunkered."

Monday, September 15, Tom Mix is to appear in "The Coming of the Law." This is a new picture by the daredevil of the screen. It is an absorbing melodramatic thriller, containing hundreds of sensations and startling stunts never before attempted. Also Latest Gaumont News and Harold Lloyd Comedy, "Mr. Jazz."

Tuesday, Sept. 16, Manager Jensen will present Mabel Normand in a Goldwyn comedy, entitled "Up Stairs." This is said to be her swiftest and snappiest comedy. Also Bruce Wonder Mountain picture entitled "Indian Village," and Harold Lloyd Comedy, "Chop Suey."

Billie Burke is coming to the Palace Grand Wednesday, Sept. 17, in her best picture, "The Misleading Widow."

This is a comedy and a good one—so good, so original, indeed, that it is in a class all its own. There will also be shown a Lyons-Moran Comedy, "Waiting at the Church," and the very latest World Pathe Events.

Thursday, Sept. 18, a really big dramatic sensation is promised local

theatre-goers. "The Brat," the world-famous play by Maud Fulton, will be shown with the incomparable Nazimova in the stellar role. This is the first time in her stage career that Nazimova has essayed the part of an American girl.

An unusual pleasure is in store for those who see "The Third Kiss" at the Palace Grand Friday, Sept. 19. In this much-talked-of picture of comedy, romance and adventure Vivian Martin will be seen in a new kind of play. She is supported by an excellent cast, including Harrison Ford. Also Harold Lloyd comedy, "Don't Shove," and Burton Holmes Travel Pictures.
